

## 3v lithium battery home depot

What is a 3V Lithium coin cell battery?

These 3V lithium coin cell batteries power many of the everyday devices you enjoy and rely on in your home, office, small business or while you're on the road or on the go. You can keep them stocked up in storage until they need to be placed in your devices, and they can withstand a wide range of operating temperatures.

What are 3V Lithium batteries used for?

3V lithium batteries, like CR2, are used in devices like toys, tools, and watches. They offer high energy, long shelf life (10 years), work in temperatures from -30°C to +60°C, and are eco-friendly with no mercury or cadmium. These batteries have low self-discharge, providing stable power over time. Let's break down their features simply:

Where can I buy lithium 3 V batteries?

[...] Buy Lithium 3 V Batteries at Screwfix.com. The UK's leading retailer of trade tools and hardware. Pay your way. PayPal accepted online. Apple Pay accepted in store. Over 40,000 products. Choose from top trade brands.
