The service manual for my Grand Cherokee (Official Chrysler) says something similar, that it must be done with the car running. Look, as far as system pressure goes, a momentary ...

1988 Cadillac DeVille. The DeVille was a trim level above the Series 62 coupe. "DeVille" means "of the town" in French. It was applied to carriages made for in-town or in-city riding. The first Cadillac using the name in production was in 1949 for their hardtop Series 62 Coupe DeVille, the first pillarless coupe/sedan GM produced.

I'm currently an automotive technology student at a local community college, and I'm attempting to fix the power steering on my wife's '93 Cadillac DeVille. So far, I have replaced the Power Steering Pump and the Rack & Pinion. Still no power assist. Today we diagnosed the CCR module and discovered that the module is bad.

After reading the preceding information, you should now have a better understanding of the components and function of the power steering system on your 1997 Cadillac DeVille . Maintenance and Repair Causes of 1997 Cadillac DeVille base Engine Vibration

My power steering pump just went bad. took about 1 hour 15 min to change out. got rebuilt pump from advanced auto for \$54. Pretty easy job. I loaned power steering puller from advance it did a quick job of removing pulley. Rebuilt pumps were also available from o-Reilly's auto for about the same money. There are no new pumps out there. Only ...

there is still air in the system-jack the front of the car off the ground turn the key just until steering unlocks and turn the steering wheel completely side to side at least a dozen times-watch the fluid level it must not run out of the reservoir or it will suck more air into system and continue to foam-cheers Denny

hey guys, i got a 97 deville, my mechanic (on the side) replaced idle pully and serpentine belt (bearings were bad) and a day later the service steering system light came on and steering wheel got a little tighter . Checked under the hood everything seems to be running smooth . Any ideas, any help would be appreciated . Thx
