I have the following stored procedure and I want to obtain the value that it returns: ALTER PROCEDURE [dbo].[ExistsItemID] @ItemID uniqueidentifier AS BEGIN IF (EXISTS (SELECT ItemID FROM Discounts WHERE ItemID = @ItemID)) BEGIN RETURN 1 END ELSE BEGIN RETURN 0 END END And in C# I have the following code:

A return and refund policy, often referred to simply as a "return policy," is a set of rules and guidelines established by a business that outlines the terms and conditions under which customers can return or exchange products they have purchased and request a refund or store credit. Why your business needs a return policy

Stores will often ask you to show your driver's license (or other government-issued ID) when you return a purchase and then record your information along with information about the returned items to help identify patterns of return fraud or abuse. They'll usually post return policies (in the store, online and on receipts) stating whether you will be required to ...

If the seller hasn't responded or hasn't issued a refund by the refund deadline, or if the buyer and seller can't reach a resolution, either party can ask us to step in and help. eBay may step in without the buyer asking, if the seller didn't respond to the return request

Can i ask for a refund for my stored value

I bought a pledge with store credit. May I have a refund on it? If you wish to recover the value from a pledge that was purchased with store credit, you can reclaim it to recover the funds. I have store credit on my account. Can I "cash out"? No, store credit cannot be refunded. Can I receive a partial refund on an order?

You have the right to a repair, replacement or full refund if your goods are faulty, unsafe, do not work, or are very different from the description or sample. You have the right to the problem being fixed, a cancellation and partial or full refund, or compensation, if the services you received are not right.. Businesses can use these rights too in many cases.

Selling on eBay isn't free. In a similar manner to other traditional and online marketplaces, eBay charges a range of fees for selling on their platform. When an item sells on eBay, the seller is charged what is called a Final Value Fee.. The Final Value Fee is percentage based on the total amount of the sale and the category of item.

In-Store. To return an item in-store that was purchased at petsmart.ca, on the PetSmart app, or a delivery provider's app, bring the product in its original packaging plus the shipping confirmation email as proof of purchase to any PetSmart store. Merchandise return cards can be used for future in-store purchases and cannot be redeemed for cash.

The time it takes to receive a VAT refund can vary based on the refund service used and the method of refund. If you're receiving a cash refund at the airport or border, it's immediate. However, if the refund is being credited to your credit card or sent by cheque, it can take anywhere from a few days to several weeks.

Refund eligibility might vary by country or region. See the Apple Media Services Terms and Conditions In countries and regions with consumer law protections, users retain their rights under these protections. In Australia and New Zealand, consumers retain their rights under the applicable consumer protection laws and regulations.

Get your refund. Most sellers refund as soon as they get the item back. If the item has been returned to the seller and they haven't given you a refund after 2 business days, you can ask eBay to step in and help. Tip Some refunds may take a little longer. You can check the status of your request to find the refund deadline for your return.

Stored Value and Passes. Stored Value is refundable only if your Compass Card is registered. Requests for Stored Value refunds must be made within two years of the last tap in or tap out. Monthly Passes and DayPasses are refundable to registered cardholders, as long as the pass hasn't been used for travel.

Ask for a refund. How you ask for a refund depends on. how you paid; if you have already applied; what you applied for; If we have already started processing your application, you won't get all your fees back. It could take up to 8 weeks to review your request and issue your refund. Answer some questions and we'll tell you

Can i ask for a refund for my stored value

how to ask for a ...

If it is a minor fault, the retailer can choose to replace or repair the item, or give you a refund, and they must do so in a reasonable time. Substantial fault. If it is a substantial fault and can't be fixed in a reasonable time, for example, a phone that won't call or a laptop that keeps crashing, you can ask for a cash refund. Faulty services

You have the right to ask for a refund if a business misrepresents their product or service. Learn how to write a complaint letter to the business to help resolve your issue. Making a deposit. When you put a deposit on an item at a store, ask the following questions: will the store refund my deposit if I change my mind?

Typically, customers can obtain a 10-12% VAT refund rate (excluding any fees) with traditional in-store tax refund methods. This can drop to 8-10% if instant cashback options are chosen. Wevat instead charges a single flat fee of 22% of your refund, which means you can expect a VAT refund rate of 13%.
