

# Carefree pop up camper power lift system wiring diagram

Is there a manual for a carefree winch?

The online owner's manual for the Carefree winch depicts a different device with far simpler limit switches and only one relay. So the manual wasn't much help. The manual that came with my camper is stored inside the camper, and it's currently under a cover and filled with stored camping items.

What is a pop-up camper lift system?

A pop-up camper lift system is a mechanism that allows campers to easily raise and lower the roof of their camper when setting up or packing up for travel. This lift system typically consists of a series of pulleys, cables, and springs that work together to lift and support the weight of the roof.

Does Hanna RV & trailer supply sell pop up campers?

Hanna RV & Trailer Supply carries a wide selection of pop up camper products, including the lift system parts you need to update or repair your camper. From electric lift kits and motorized winches to the cables and components you need, our online store has it all.

How do pop up campers work?

In most pop up campers, the lifting mechanism consists of four metal posts or legs, located at each corner of the camper. These posts can be manually extended or retracted to control the height of the camper. Some pop up campers may also have a hydraulic or electric system for easier operation.

Does Flagstaff use carefree p55012?

Flagstaff now uses Carefree's model P55012 for campers with a powered lift-system. Make sure the battery has power. Make sure the thick red wire coming from the powered lift-system is connected to the battery's positive terminal; make sure the thick black wire is connected to the battery's negative terminal.

How does the camper lift work?

Built-in limit switches stop your camper at the desired height, and the winch stops in the closed travel position when you lower it. When lowering, you can stop the Camper Lift at any time to tuck in the fabric. The camper top will not drift up or down. This product was delivered very promptly with good instructions and perfect fit.
