The source says that the CD-R King there is still operational, but has closed down several other branches in the same mall network even before the onset of the coronavirus pandemic. And as far as the source knows, the company has also undergone a change of ownership.

Does CD-R King have an online store?

Especially for electronics, computer peripherals and mobile phone accessories, many people began turning to online marketplaces for these items. It's interesting to note, however, that CD-R King has an official online store in Lazada, one of the top ecommerce platforms in the country.

Does CD-R King have an online store in Lazada?

It's interesting to note, however, that CD-R King has an official online store in Lazada, one of the top ecommerce platforms in the country. There was a spate of CD-R King store closures over the last few years.

Is CD-R King a good brand?

Sure, there are probably dozens, even hundreds of other stores where you could get mobile phones, thumb drives, or low-end tv sets and digital music players, but only CD-R King was able to build a brand that became big enough to enter the country's cultural zeitgeist.

Where are CD-R Kings located?

They had branches in nearly every major city, including in provinces like Baguio, Batangas, Laguna, Rizal, Cebu and as far away as Ozamiz City. All of them were company-owned. "Our aim, if possible is to put a CD-R King in every town," Ganchua said in a separate interview that he gave to online platform Unbox PH, which was published in June 2015.

Why did CD-R King diversify its merchandise?

It was the demand for newer technologies that led CD-R King to diversify its merchandise to include newer technologies that were mostly imported from China. After CD-Rs and CD-RWs (CD-Rewritable), the company started selling computer parts, smartphones, audio and video equipment, car accessories, LED lights and home appliances.
