

Company enjoyed solid gains

Even modestly rising average earnings of 2%-3% looked good when set against zero inflation, delivering solid gains in real incomes and boosting consumer confidence. Times, Sunday Times Insurers, banks and fund managers all enjoyed solid gains.

With the healthy price movements, three new additions to the TOP10 lists are added this week. Margaritaville is now topping the Main Market Top 10, with potential gains of 820 percent as the company made a major leap forward in fortunes, following the rebound in tourism traffic in the region and Caribbean Producers fell out of the TOP10 with a 4 percent price rise ...

Public Company Incorporated: 1957 as Janyjo, Inc. Employees: 2,148 Sales: \$211 million (1995) ... Meanwhile, it enjoyed solid gains in the jacquard cotton throw arena. Jacquard products made up less than three percent of the total beddings market when Crown Crafts decided to target the niche. By the mid-1990s, however, jacquards were accounting ...
