

Does sunrun clean solar panels

Should you buy a solar panel from Sunrun?

Sunrun offers all the traditional payment methods for home solar panel installation. However, it offers a unique leasing option where you can lock the electricity rate for 25 years. Full purchase: If you're concerned about getting the most financial benefit from your solar panel system, you should purchase the system in full from Sunrun.

Is Sunrun solar a good company?

Sunrun Solar has been helping homeowners install solar panel systems on their roofs for 16 years. The company offers a wide range of payment options and types and generally uses quality products. This makes Sunrun a solid choice for homeowners who need a quality system but can't afford to shell out all the cash at once.

What is sunrun's solar as service'?

Sunrun recognized that the steep initial cost of this approach was keeping tens of millions of U.S. homeowners on the sidelines. So the company pioneered a new "solar as service" model, whereby homeowners lease the solar system through Sunrun and pay a fixed monthly fee, just like leasing a car.

What happens when I go solar with Sunrun?

When you go solar with Sunrun, you're signing up for 25 years of service and support. If something comes up during this agreement, contact Customer Care. We carefully choose our equipment for durability, but issues may still arise.

Who is Sunrun solar & battery installer?
