Emel's expansive network of contacts within the sector gives the company a competitive advantage when entering an emerging solar PV market. Emel is able to rely upon guidance from its EPC partners, developers, and investors and advisors to fully understand all critical risks affecting the projected profitability of a project.

Through these strategic partnerships Emel Solar has built unique distribution opportunities in 30 states in Nigeria. In partnership with the World Bank/International Finance Corporation (IFC) and others, Emel Solar has achieved over 280,000 new end-user connections, the statement notes. HARRISON EDEH, ABUJA
