

Exigo elite power rack system

The Exigo E80 Elite Dual Power Rack maximises floor space and provides back-to-back training stations. This Dual Rack has a Multi Ball Grip Pull-Up Bar as well as a choice of 4 pull-up options on the opposite side and includes J-Hooks, Internal Safety Spot Arms, Band Pegs, and Weight Plate Storage as standard.

The Exigo E70 Folding Rack can be easily folded away to regain crucial floor space when not in use - safely open or close the rack using a smooth hinge system and locking pins. It's perfect for a variety of weightlifting and features 26 points of adjustment with 25mm (1 Inch) Westside hole spacing for precise exercise alterations.
