Freedom Forever is doing thousands of installs per month, but they are purely a backend/fulfillment company, so they don't really care about playing the review game - they let the sales orgs do that. They do not solicit positive reviews, and it seems whenever something goes wrong the sales orgs try to blame it on Freedom Forever so that they ...

312 reviews of Freedom Forever "As a solar broker I work with several different installation companies and Freedom Forever has proved themselves over and over to be one of the best in the industry. They have install in record breaking times and provide exceptional customer service with weekly calls to keep the customers informed of their job progress.

Freedom Forever seems to be a reputable solar company. But Freedom Forever solar reviews are mixed -- some incredibly satisfied and many others displeased. On paper, the company is a great candidate. However, some client reviews suggest otherwise, and outsourced labor could be part of the communication disconnect.
