

Indie author sole proprietorship company owner title

What is the difference between an indie author and a publishing company?

It's difficult for bookstores and libraries to tell the difference between an indie author with a publishing company name (not linked to the indie author) and a small publishing company. If you are an indie author, I recommend having an LLC for your publishing company. Instead of being "John Smith, LLC," you want to be "ACME Publishing, LLC."

Should you start an LLC if you're an indie author?

Having an LLC can boost your credibility in the eyes of readers and institutions. It's difficult for bookstores and libraries to tell the difference between an indie author with a publishing company name (not linked to the indie author) and a small publishing company.

Should an indie author become a limited liability company?

An indie author can consider becoming a limited liability company (LLC) or Subchapter S corporation (S corp) for distinct tax benefits. However, it's important to weigh the added costs and potential inconvenience. By considering a few key points, an indie author can determine the right option.

What are the different types of business entities for self-published authors?

Self-published authors can consider three main types of business entities: Sole proprietorship: The simplest option, which involves no paperwork, corporate charters, filings, or filing fees.

Is an S corporation a good option for an indie author?

An S corporation can be a good tax option for an indie author due to its ability to minimize the Medicare tax. This is particularly relevant considering the Medicare tax increase in recent years under the Affordable Care Act.

Are indie authors proud to be published?

That said, many of the more militant indie authors are proud to be indie published, and they display that fact in their company name. John Locke Books, LLC or Susan May Warren Fiction are good examples. They are not hiding the fact that they're independently published, and they're very successful.

The sole proprietorship definition is a business owned by one person where there's no legal separation between the business and the owner. That means if the business gets sued, the owner can be held financially liable and may have to pay legal defense costs and settlement money using their personal assets.

For sole proprietors, there is no separation between the taxes of the sole proprietorship and the taxes of the owner. Instead, all business profits are treated as the income of the owner. This makes taxation relatively straightforward, since business income is simply reported on one's personal taxes. While this may seem odd, it

Blog Author : Khalid Ahmed. Khalid Ahmed. Khalid Ahmed. Edited by : Savitha Mukundan. ... The owner of a sole proprietorship is the whole and soul of the business. ... The sole proprietor and the business entity are one and the same. Therefore, all the profits of the entity are taxed as the proprietor's personal income.

The title of proprietor is similar to that of an owner, as they are both typically used to describe the owner of a small business. A sole proprietor is a commonly used legal term that describes the single owner of a business, someone who is also legally tied to the respective company and considered the same legal entity.

The proprietor title could be a good fit if you're a sole business owner juggling multiple roles within the company, including overseeing daily operations, financial management, customer relations and future projections. The term sole proprietor is also commonly used to describe a self-employed individual who is the legal owner of a business.
