What is Nusun Solar?

Nusun Solar is a Solar PV company based in Columbus, IN since 2009. We developed our one-of-a-kind marketplace with funding from the U.S. Department of Energy to make clean home energy solutions affordable and accessible to all. Read reviews for Nusun Solar.

What makes nusun different from other solar companies?

One of the key developments that have set Nusun apart from its competitors is its use of advanced technology to streamline the installation process. They have developed a proprietary system that allows for faster, more efficient installation, which means that customers can start enjoying the benefits of solar power sooner.

Does nusun power have a filter?

This rating reflects the overall rating of Nusun Power and is not affected by filters. Every solar company is going to be a grind. Not every one can offer the amount of reward for your effort. Management inspires hard work but compensates with frequent lunches, mental breaks, and culture building.

Is nusun power a good company?

NuSun is a fine company with many respectable integral salesman, sad to see it blasted on here. Just had a surprise visit from a sales rep for Nusun Power... felt weird letting him look up my electric account and resetting my pw which I immediately re-set after he left! DUH.

Most savings if you buy solar with cash price or get a credit union loan and get cash price from solar installer co. ... Even if loan payment higher VS utility VS PPA in long run the cash or credit union loan probably 6-9 yrs payback in Cali with a battery VS 25 yrs PPA and many PPA's have escalator--- this payment will increase.
