Empire Solar has been wonderful and has made the solar installation process so easy. We've had someone guiding us and checking in at every step of the process. They have been timely and responsive with every step of the installation, from re-roofing to coordinating everything with our town and Central Hudson. Glad we chose Empire Solar.

In April, Northwind owner Richard Biezynski embraced solar energy to help run his 187-acre farm, near Tivoli. He hired Hudson Solar of Rhinebeck (now known as Hudson Valley Clean Energy) to install 150 photovoltaic panels on an acre plot; the solar panels are perched on 15 heavy industrial pillars anchored 10
