

Reliant energy renewal plans

Does Reliant Energy offer a prepaid plan?

Reliant Energy offers fixed-rate, variable-rate, prepaid, and green energy plans to residential and commercial electricity customers. Ready to learn more about Reliant Energy rates and compare its offerings with other Texas electricity companies?

What types of energy plans does Reliant offer?

Reliant offers fixed rate and variable rate plans, pre-paid plans, renewable energy plans and more. Compare and find the right plan for you.

Does Reliant offer free electricity?

Reliant offers plans that include free electricity during certain times, such as nights or weekends. If you tend to use most of your electricity during these periods, you could potentially save a significant amount on your energy bills. These plans are a great option for those with flexible schedules or specific electricity usage patterns.

Why should you choose Reliant Energy?

Reliant Energy is all about making electricity work for you, not the other way around. They've got a plan for every lifestyle and budget, from free nights and weekends to eco-friendly options. Plus, their top-notch customer service means you've always got a friend in the energy biz.

Does Reliant Energy do a credit check?

Yes, Reliant Energy will perform a credit check before beginning service (unless you choose a prepaid plan). If you have a low score, you may be required to pay a deposit on your plan. Do the Reliant Energy rates shown include everything?

Who is Reliant Energy?

A subsidiary of NRG Energy Inc., Reliant provides power for more than 1 million residents and businesses in the Lone Star State. Reliant Energy offers fixed-rate, variable-rate, prepaid, and green energy plans to residential and commercial electricity customers.

Plan matches 100% of electricity usage with solar renewable energy certificates. Valid for new residential customers only. Reliant reserves the right to discontinue this offer without notice. 4 Projected bill not available for pre-paid plan customers.
