

Smart solar energy company reviews

Is smart solar a good company?

Only Smart Solar was able to work with its local electricians to independently wire a new switch for my water heater and take on the SPAN panel as part of the whole project. From a local, flexible, and understanding of customers' needs, hands down Smart Solar was the best choice.

Who is smart solar energy?

Smart Solar Energy Co. offers residential solar energy product sales. Residential Solar Electric Installation, Commercial Solar Electric Installation, Electric Vehicle Charging Stations, Battery Backup Installation, Generators This business is in an industry that may require professional licensing, bonding or registration.

Is smart energy a good battery company?

I have since been approached by Smart Energy regarding a battery, and nothing has changed. Smart Energy's people are helpful, well informed, patient, polite, personable and reliable. This company just oozes INTEGRITY and good intentions. In the words of John Paul Getty..... "Pay a fair price for a good company, never a good price for a 'fair' one".

What makes smart energy a good company?

Smart Energy's people are helpful, well informed, patient, polite, personable and reliable. This company just oozes INTEGRITY and good intentions. In the words of John Paul Getty..... "Pay a fair price for a good company, never a good price for a 'fair' one". Date of experience: August 01, 2024

How much do you save with smart energy?

Despite the regular payments I pay to Smart Energy's finance company, I am saving at least \$100 per quarter and never worry about using power. This is the first winter I have not had to worry about the cost of electric heating. God Bless Smart Energy.

Is SunPower a good solar company?

SunPower was our pick for best overall solar company, but it recently announced that it's filing for Chapter 11 bankruptcy and is selling parts of its business - including Blue Raven Solar - to Complete Solaria.

The solar installation went smoothly without any trouble or effort on my part. I did not have to contact my electricity company, Smart Energy did everything and kept me in the loop. Now I just watch the positive balance of my electricity account grow with each bill. Despite the regular payments I pay to Smart Energy's finance company, I am ...

Many follow ups by Smart Energy to ensure customer satisfaction. The only downside is I have yet to receive an Aurora account to assess my savings to date. Plus I'm yet to hook up to the mobile phone application, which can also assess daily usage, this down to my own hesitation. All in all 10/10 Smart Energy. Date of
