The city where it all started! Rooftop Solar was voted "Best Solar Company in Flagstaff" and has been serving Flagstaff for more than 10 years. With 300+ days of sunshine and some of the cleanest air in America, Flagstaff and solar just makes sense.

Is Arizona Solar Wave a good company?

Arizona Solar Wave was very thorough when installing the panels on top of the house. They guided me through the process of getting all the necessary paperwork into the various HOA's and APS. The only problem now is understanding the Enphase Energy System and getting it set up properly. Once this gets set-up, my experience will be 5 stars.
