

Sunpower 400 watt solar panel price

How much does a 400 watt solar panel cost?

As expected, the more innovative and technologically-advanced solar panels typically cost more than simpler models. The cost of solar panels rated for 400 W output can be anywhere between \$3 and \$5 per watt installed. Remember that this is the price of the entire solar power system, installed using a number of 400 W mono solar panels together.

How much do SunPower solar panels cost?

Looking at national average pricing data, the cost of owning a 5 kW SunPower Equinox system ranges from \$13,250 to \$21,000, or from \$2.65 to \$4.20 per watt. And that's before considering the benefits of any available tax credits, rebates or incentives*Tax credits and incentives are subject to change.

How big is a 400 watt solar panel?

The exact size of a 400 watt solar panel depends on the manufacturer and the model. In general, 400 Watt solar panels have 144 half-cut solar cells with measurements similar to 72 cell solar panels. Of course, the number of cells in a module reflects on the 400W solar panel price.

How to choose a 400W solar panel?

These powerful PV modules become more and more popular, and you can find 400W solar panels for sale in our store as well. When choosing the solar panel 400W, first you should look at its photo elements. There are mainly two choices: mono- and polycrystalline cells.

Is SunPower a good solar brand?

To summarize, SunPower is a premium brand that focuses on high efficiency and long-term warranty coverage. As you might expect, these benefits come with a higher price tag: while many solar brands have installed costs below \$3 per watt, SunPower has an average cost of \$3.35 per watt according to EnergySage data.

How many cells are in a 400 watt solar panel?

In general, 400 Watt solar panels have 144 half-cut solar cells with measurements similar to 72 cell solar panels. Of course, the number of cells in a module reflects on the 400W solar panel price. The dimensions of an average 400 Watt solar panel are about 79" X 39" X 1.4".
