This system worked well back in the 1970s, and probably the 1980s and 1990s, but once Chris Moneymaker won the World Series of Poker and so many people flooded the poker market, it led to a great deal of passion for the game, and those who were most passionate educated themselves as much as possible -- including Super System.

A second part of the book "Super System 2" was released in 2004. Read Doyle Brunson's "Super System" by downloading the book in PDF or Doc format, or purchase the book on Amazon. A note: in addition to Hold'em, the "Super System" describes game rules and features of other types of poker.

Super System 2 pushes the envelope expanding on Doyle's original book while featuring new games, new strategies and new expert collaborators, including Crandell Addington, Lyle Berman, Johnny Chan, Jennifer Harman, Daniel Negreanu and Todd Brunson. This is a brand new book, not an update to Super System.

Super System 2, published by Cardoza in 2006, is Brunson's attempt to update and complement his landmark Super/System (which was itself originally titled How I Made over \$1,000,000 Playing Poker). Super System 2 retraces the trail blazed by its predecessor, featuring detailed advice on many games that have become popular in recent years.

Draw Is Dead "Draw poker is dead," Doyle said, and he suggested that, rather than revising and modernizing both the five-card draw high and lowball sections for Super/System 2, I create an introductory "seminar," based on the ones I 67 present to casinos, but with deeper explanations worthy of Super/System. The tips would appear on ...
